## OFFICES OF THREE DENTISTS ENTERED

Laboratories of Drs. A. F. Brunow, L. G. Cope and L. M. Mains Are Forced.

### INVESTIGATION BEING MADE

Authorities Unable to Find Motive as Apparently no Attempt at Robbery Was Made.

The offices of three local dentists were broken into Wednesday night but so far as known nothing is missing from any of them. The offices entered were those of Dr. A. F. Brunow in the Seymour National Bank building, Dr. L. G. Cope in the Laupus building and Dr. L. M. Mains in the Blish building.

Dr. Cope was the first to discover the robbery which was committed at his office between 6:15 and 7 o'clock Wednesday evening while he was at supper. Dr. Cope returned to find the door leading to his laboratory had been forced open. He immediately made an investigation to learn if any of the gold used in fillings or other dental equipment had been taken. However, after a thorough investigation he was unable to find anything missing and drew the conclusion that the thief was looking for "dope." Before leaving Wednesday night Dr. Cope tied the broken door with a string to see if the thief returned and a woman who does the janitor work at his office reported she found the string broken and the door standing open when she arrived there this morning which is evidence that the thief had returned.

After failing to pry open the door leading to the waiting room at Dr. Brunow's office in the Seymour National Bank building, the thief broke the glass in the transom and gained entrance. A "jimmy" was used in breaking open the door leading to the laboratory.

The robbery was first discovered when Dr. Brunow came to his office this morning. He immediately made a search to determine if a quantity of gold which was kept in the office had been taken but found that it had not been touched and found no other valuables missing. If the thief had been looking for "dope" he overlooked a case with the usual quantity carried in a dentist's office. This is the fifth time that Dr. Brunow's office has been broken into in the last few years. About three months ago the office was entered and about \$75 worth of gold and platinum was taken.

A glass was broken in a window at the laboratory of Dr. Mains making it possible for the thief to reach on the inside and unlock the door. The robbery was discovered this morning when Dr. Mains arrived at the office about 9 o'clock. He made a thorough investigation to see if any gold or equipment had been taken and found everything in its usual place.

The dentists are baffled inasmuch as the thief did not disturb or take a thing at any of the offices entered. At all places there was a considerable amount of gold and platinum, but the thief overlooked it. It is possible however, that the thief was frightened away at all places before he was able to make a thorough search of the offices for valuables.

It is an opinion of the dentists that the robbery was committed by a professional who has probably paid visits to this city on former occasions.

The matter has been reported to the police but it is believed that the thief had left before the robbery was discovered. An investigation is being made.

### FREETOWN BOY DEAD

Son of Mr. and Mrs. J. B. Tinch Dies Wednesday.

## HIGHER SALARIES FOR LOCAL PEOPLE

City Carriers and Clerks at Postoffice Will Receive Increases Ranging From \$125 to \$200.

### ORDER DATES BACK TO JULY

No Provision Made for Rural Carriers But They Are Expected to Get Bonus at Early Date.

An order which provides for increased salaries for city carriers and clerks at the local postoffice has been received by Postmaster Allen Swope from the department in Washington. The new wage scale dates back to July 1, the beginning of the present fiscal year, and was recently adopted by congress. All of the city employees are affected by the order with the exception of the postmaster, who is regarded as an official and not an employee of the office. No provision was made in the first order for increases in salary for the rural mail carriers, but they are expecting an order in their favor in the near future.

The new scale provides for bonuses which are based upon the amount of salary paid to the various employees. The highest bonus provided for in the order is \$200 which will be received by employees who now are paid from \$1,000 to \$1,200 annually. Two of the employees at the local office come within this class.

A bonus of \$150 is provided for employees who are being paid from \$1,300 to \$1,800 a year. Seven of the local clerks and city carriers will receive this amount. An annual bonus of \$125 is provided for those who receive from \$1,700 to \$2,000 and one local employee comes within this class. A bonus of \$100 is provided for those who get from \$2,100 to \$2,500, but there are no employees in this class in the Seymour office.

This makes the second increase in salaries in the past year. Last year the employees of postoffices received a \$200 bonus which was increased last July to \$300. The boosts in salaries are given in view of the soaring living expenses. The order was predicated to July 1 so that the increases would be effective during the present year.

### GORDON HAYWARD IS RUN DOWN BY AUTOMOBILE

Little Son of Local Minister Injured This Afternoon—Condition Not Ascertained.

Gordon, the five-year-old son of the Rev. F. A. Hayward, pastor of the First Baptist church, and Mrs. Hayward, was injured this afternoon when he was run down by an automobile near his home on South Walnut street. The car, it is said, was driven by Edarius Lewis, colored, a junk dealer. The child had been playing on the porch with his father but later joined a neighbor girl and was walking across the street when the accident occurred. It is probable that the child became confused when he saw the automobile approaching.

The injured child was taken to the office of Dr. D. L. Perrin, but the extent of his injuries could not be ascertained late this afternoon. Dr. L. B. Hill was later called. The wheels of the car apparently passed over the child's stomach and he was suffering to such an extent that physicians believed it advisable to first quiet him before making a thorough examination. Internal injuries are feared. Mr. Hayward was notified of the accident after the child was taken to Dr. Perrin's office and said it seemed to him that not more than two or three minutes had lapsed between the time he was playing with his son and the time he was notified of the child's injuries.

Mrs. Hayward is visiting in New York and an effort is being made to keep the accident from her as she has been seriously ill and it is feared the news might result in a severe nervous shock.

Walter Gordon, of Washington day morning following a several days illness. The lad was suffering with diabetes which caused his death. The Charles Vogel and family went to Indianapolis this morning.

## QUICKER ACTION ON APPLICATIONS

Cases Will Be Acted on by Traveling Field Representatives Sent out From Washington.

### DISTRICT VOCATIONAL OFFICER

Men Who Have Had Major Amputations and Injuries Come Under A Special Class.

Former soldiers, sailors and marines who have suffered disabilities in line of duty that have necessitated major amputations, such as the loss of a hand or foot, both hands or both feet, or loss of one or both eyes, and who are desirous of taking vocational training, can now have their applications acted upon within twenty-four hours, according to a bulletin issued by the office of the Assistant Secretary of War, Service and Information Branch.

The bulletin, which was received here reads as follows:

"Under a new policy just put into effect by the Federal Board for vocational education, men who have become disabled in the service of the army or navy, no matter what the extent or nature of the disability, are enabled to have their applications for training acted on more quickly than formerly. Heretofore all applications for training were referred from the district vocational office to the federal board at Washington for action, thereby entailing much delay

Case of Nannie Reyman vs. Estate of Thomas Hendricks Miller on Trial Today.

Thomas M. Honan is setting as special judge today in the Jackson circuit court hearing the case of Goldie Cochran vs. Henry Cochran, suit for divorce, alimony and the custody of their children. The case will likely be completed late this afternoon.

Judge James A. Cox is hearing the case of Nannie Reyman vs. the estate of Thomas Hendricks Miller, deceased, today. The case is a suit on note and to collect an account. Several witnesses were called to testify.

The arguments of attorneys in the case of Louise Beck vs. Arthur Dixon which was tried in the Jackson circuit court last Thursday, Friday and Saturday, is being heard by Judge Cox this afternoon. The case of Albert S. Nelson vs. Anton Sohn, et al, is set for trial in circuit court Friday.

### CAMPAIGN IN SEYMOUR IS NEARING COMPLETION

Red Cross Workers in Charge of Districts Have Completed The Canvass.

J. H. More, manager of the Third Red Cross Roll Call in Jackson county announced today that practically all of the district workers in the city have completed their canvass and are ready to make their final reports. It is estimated that there will be at least one thousand members in Seymour when the final report is made.

The Wide Awake Club at Brownstown is waging a campaign there this week and the members are meeting with excellent success. The Junior Red Cross Campaign is still on in the city schools and already the membership is estimated at between three and four hundred.

### H. T. REASONER DEAD

## MANY OFFICIALS TO ENFORCE LAW

Enforcement Act for War Time and Constitutional Prohibition Effective Monday.

### JOHN KRAMER IS IN CHARGE

Five Hundred Arrests Said to Have Been Made—But Few Formal Reports Received.

Washington, November 13.—An army of 30,000 officials will spring to attention Monday when John Kramer, newly appointed federal prohibition commissioner, takes charge of the battle to make the country alcohol-tight under the enforcement act for war time and constitutional prohibition.

More than five hundred arrests have already been made under the act, it was unofficially estimated today, but few formal reports have yet been received by the internal revenue bureau. Today officials were in the midst of last minute rush of perfecting the machinery, which was temporarily set up when the enforcement act went into effect September over President Wilson's veto.

Deputy Commissioner H. M. Gaylord planned to name nine department commissioners before night. They will be the chief lieutenants of "General" Kramer.

The 48 state commissioners will be named from day to day. It is also planned to add to the personnel of the already big force of inspectors or "dry law detectives" who will be organized into flying squadrons with headquarters in each of the nine departments.

Under tactics now mapped out for the "prohibition army" the flying squadron will be held in readiness to swoop down upon any sector where bootleggers are operating.

The "army" is backed by \$2,000,000 appropriated by congress to enforce the first year of national prohibition.

Reinforcements will be available July 1, 1920, according to internal revenue bureau officials, who point out that congress then will make a new appropriation.

Officials plan to ask for \$4,000,000 for the second fiscal year.

Prohibition officials understand that the law now is being violated openly in many sections of the country where they are told liquor is being sold in ice cream parlors. That bootleggers are working almost unmolested in many sections also is admitted.

The machine for enforcement is organized in this way:

Federal Forces—Commissioner Kramer and more than 100 federal executives; 64 internal revenue collectors and 300 deputy collectors; 300 federal district attorneys and their assistants who will conduct prosecutions.

Local officials—3,000 county sheriffs, 5,000 state detectives, attorneys and general executive officials and 25,000 city police and rural constables. All must co-operate in helping the federal government screw down the dry lid to stay, the internal revenue commissioner said.

### The Laughing Feast of the Season.

It has been conceded by all who have seen the new "Peck's Bad Boy" that nothing old but the title remains, as Irving Berlin, the writer of the greatest number of our songs today, put forth his best efforts and as a result it is now a bright comedy during which sixteen numbers are introduced. The chief fun maker is Charlie Flem who takes advantage of every opportunity the author has given him to secure laughs, and is ably assisted by a large and well selected cast. During the engagement at the Majestic Theatre starting with 2:30 matinee Saturday, Nov. 15th, the prices will be for the matinee 15 and 25 cents while in the evening 25-35-50-75 cents, plus War Tax will prevail which means a big show for little money. The advance sale is now open at the Majestic Theatre.

## FEW MINERS HAVE RETURNED TO WORK

Situation in Illinois and Iowa Fields Unchanged, Today's Reports Show.

### FEW AT WORK IN INDIANA

Approximately 18,000 Resume Digging in Eastern Tennessee and Southeastern Kentucky.

Reports from various sections of the country today indicated that few miners are returning to work in compliance with the order calling off the general coal strike.

The situation in Illinois coal mines is unchanged, according to reports from Springfield. "There is nothing to indicate the men intend to recognize the recall of the strike order," reports said to have come from miners' headquarters there say.

Reports from St. Louis say there is little inclination on the part of miners in southern Illinois to obey the orders to return to work. Leaders, however, believe the number of workers in that district will gradually increase, but sentiment among the miners themselves is in favor of a "strike to a victory."

There will be no resumption of coal mining in Kansas for at least a week," Pittsburg, Kas., reports stated.

Terre Haute advises say that belief was expressed at the headquarters of district eleven and by operators' officials that not a miner has returned to work in that district. Officials of both sides are in Washington and no action is expected before Monday.

Reports from Colorado indicate the miners there are gradually resuming work and troops are being withdrawn from the coal fields. Iowa miners remain idle, Des Moines reports say.

Approximately 18,000 miners resumed work in Eastern Tennessee and Southeastern Kentucky, Knoxville reports indicate.

### LEWIS ASSERTS MINERS DID NOT GO DOWN IN DEFEAT

Acting President of Union Says Men Expect "Square Deal" at Washington Conference.

### By United Press

Indianapolis, Nov. 13.—Coal miners did not go down in defeat when they submitted to the mandatory writ of federal court and cancelled their strike order. They will continue their fight for a new wage and working agreement when they go into conference with their employers and government representatives at Washington tomorrow. They expect a "square deal."

These were the assertions of John L. Lewis, acting president of the miners, in an interview today.

"The miners are not defeated," Lewis declared. "They have acquiesced in the demand of their government. They now expect a demonstration of good faith in the wage negotiations by that same government."

### ATTEMPT TO FORCE EARLY VOTE ON THE TREATY FAILS

Cloture Petition Introduced by Hitchcock Ruled out of Order by Cummins.

### By United Press

Washington, Nov. 13.—An attempt to hasten action on the peace treaty failed in the senate today when a cloture petition to limit debate introduced by Senator Hitchcock, democrat, was ruled out of order. Senator Cummins, president pro-tem of the senate, who made the ruling was sustained by the senate 44-36. Hitchcock contended that his position which would have forced a vote early next week was intended to limit debate on the pending Lodge reservation. Republicans objected to this view, declaring the cloture would apply to the whole treaty debate.

## ACTIVITY SHIFTS TO WASHINGTON

Miner-Operator Controversy in Progress of Mediation at National Capital.

### CONTRACT DATE IN ISSUE

Counsel for Miners Declare Appeal in Injunction Case is Held in Abeyance.

### By United Press

Indianapolis, Nov. 13.—With the scene of activity in the miner-operator controversy shifted to Washington, there was little going on around headquarters of the United Mine Workers today.

All eyes were turned towards the national capital and the conference there tomorrow which was called by Secretary Wilson to mediate the differences between the coal miners and their employers. Legal counsel for the United Mine Workers was inactive pending result of the conference. Henry Warrum, chief counsel, announced he will not file an appeal from Judge Anderson's decision in the injunction proceeding until the conference results show what trend the meeting will take. He said the appeal had been prepared and the necessary legal steps have been taken but that it has been held in abeyance.

The announcement from Warrum's office indicates that the miners consider the government's proposal for a meeting between the two factions is in "good faith."

One of the big points to come up in the Washington conference, according to some union officials still in this city today, is whether or not the contract to be drawn with the operators shall become effective when drawn on November 11, 1918. The miners contend their contract expired on that date with the cessation of hostilities and they have been working without an agreement since that time.

### SERIOUS SHORTAGE OF NEWS PRINT PAPER

Publishers' Association Goes in Record as Favoring Higher Advertising Rates.

### By United Press

New York, Nov. 13.—The American Newspaper Publishers' association was on record today in favor of limitation of the size of newspapers and material increases in advertising and subscription rates. This decision was reached late yesterday at a special convention called to consider the shortage of news print paper.

The resolutions committee reported that consumption of paper at present is ten per cent more than the mills are producing, resulting in an annual shortage of 200,000 tons. The committee which drew up the resolution providing limitation of size and increase in rates also recommended that newspapers make quarterly or monthly, instead of yearly, advertising contracts; that congress be urged to ask the Canadian government to conserve pulp wood and that legislation be urged for development of water power and of timber lands for manufacture of wood pulp, lumber and paper.

Franklin P. Glass, president of the association, said cost of producing newspapers had increased 100 per cent in the last year.

### Thirty Imprisoned.

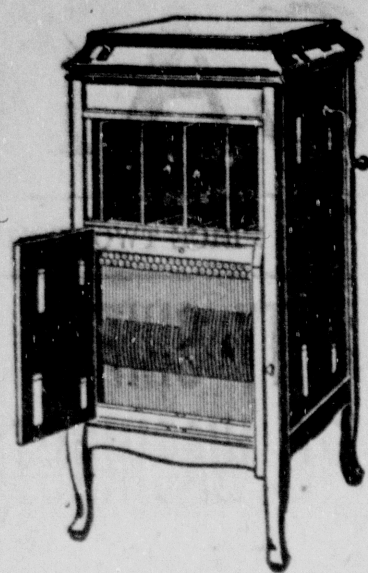

### By United Press

Centralia, Wash., November 13.—While thirty alleged I. W. W.'s in the city jail were gazing upon the horrifying spectacle of their lynched companion strung up before them, 200 deputies and militiamen searched for a man who fired on a bridge guard. The body of the man lynched Tuesday night after an Armistice Day parade, was dragged through the streets. At the gates of the jail the body was drawn up before the imprisoned men. No attempt was made to storm the jail.

The "Reds," I. W. W.'s, anarchists and other radicals who are striving to overthrow the government have suddenly found that they face a new and formidable foe. The new group which has demonstrated on more than one occasion that it will protect the government with all the strength and force of its organization is the American Legion composed of World War veterans. The American Legion is a powerful organization composed of the best men of the nation who fought for freedom of mankind in France. The members do not now propose that a small group of radicals shall destroy the very institutions of government which they defended. The organization of the Legion was timely. Its full force and effectiveness has not yet been developed. Its members believe in Americanism first. And in the campaign of the Legion to protect and defend American institutions it has the hearty co-operation of thousands who are not members but are willing to serve in whatever capacity they are needed.

The Ohio "Wets" have won the election by a scant five hundred but when the nation "drys" we wonder what good the election will do.

### AMERICAN LEGION ADOPTS AMERICANIZATION PROGRAM

New Elected Executive Committee  
Prepares to Execute Instructions of Members.

By United Press  
Minneapolis, November 13.—The American Legion today begins battling for its program of Americanization and the welfare of veterans of the world war.

The newly chosen executive committee was to meet today to draw plans for carrying into effect the manifold instructions of 2,000 who dispersed last night at the close of the first annual convention of the order.

Franklin D'Olier, Pennsylvania was chosen as the first national commander of the American Legion. He won in a close contest with Hanford McNider, Iowa's great individual hero of the war. McNider asked the convention to make D'Olier's election unanimous.

Other officers elected were:  
First vice commander—Joyce B. Lewis, Long Prairie, Minn., a marine.  
Second vice commander—Allen A. Turkey, Omaha, from the army.

Third vice commander—James D. O'Brien, California, navy.

Fourth vice commander—Alden R. Chambers, Massachusetts, navy.

Fifth vice commander—Wm. B. Follett, Oregon, from the army.

The Legion, as a result of the first convention, will put into operation a commission on Americanization and will establish legislative patrols at proper places to promote a number of measures designed to promote Americanism, to check radicalism, promote better feeling between labor and capital, and restrict immigration.

### DEMOCRATS MAY NAME UNDERWOOD AS FLOOR LEADER

Vacancy in Senate Caused by Death of Senator Martin, of Virginia.

By United Press  
Washington, Nov. 13.—Democratic members of the senate will hold a caucus within a few days to pick a minority floor leader, filling the vacancy caused by the death of Senator Martin, Virginia.

Senator Hitchcock, Nebraska; Underwood, Alabama, and Simmons, North Carolina, are the three foremost candidates. The contest will be lively, according to cloakroom gossip, as the winner will be a strong contender in the Democratic national convention which selects a presidential candidate next year.

Underwood, the youngest in point of years and service, is a favorite.

### BLOODY HATCHET FOUND IN HOME OF MISSING MAN

James Harper, Ferryman at Linton, Disappears—\$800 Found in Wall.

Linton, Ind., November 13—James Harper, sixty-five years old, who operated a ferry between Sandborn and Newberry, on White River, ten miles south of here, is believed to have been murdered. Harper lived alone in a shack between Sandborn and Newberry. Harry Whitcomb, a grandson, went to the shack and found a broken hatchet covered with blood and evidences that there had been a struggle, but no traces of his grandfather.

Young Whitcomb hurried to Linton and reported his discovery to local officers. A party of searchers, accompanied by Harper's daughter, Mrs. Henry Whitcomb, went to the river and made a search.

They dragged the river around the shack but could not locate Harper's body. In excavating around a pile of coal a tin can was found containing \$800 in cash. It was well known that Harper had several hundred dollars.

The theory is advanced that he may have been murdered by robbers and the body disposed of but that they failed to locate his money. Harper's boat was found adrift ten miles below his home by other rivermen. He has not been seen since last Monday.

### Hotel Fire in Buffalo.

By United Press  
Buffalo, Nov. 13—Eleven men were overcome by smoke and fifty persons driven into the street when fire swept the upper story of the Vanderbilt hotel today. Three of the injured men were expected to die.

### Women's and Misses' Dresses

**\$14.95**

\$25, \$30, \$35 Values.

Dresses so attractive, so well made, that at their price they merit the term "wonderful!" Mostly the well-tailored street dresses, splendid of line and excellent of fabric. Dresses that meet one's inclination for fine clothes—and for economy.

Dresses of tricootines, jerseys, satins, taffetas; blue, black, brown and the lighter shades.

Dresses in a diversity of modes—trimmed in perfect taste, just such frocks for which Fashion shows such preference and which meet such a diversity of needs and occasions.

A small deposit will secure any garment for future delivery.

### SOCIAL EVENTS

#### DAYTON—WISE NUPTIALS.

The Rev. Ellis M. Jones officiated when Martin R. Dayton and Miss Callie E. Wise were married at 7:30 o'clock Tuesday night at the parsonage of the First Baptist church. The

contracting parties are widely and favorably known young people to whom a big circle of friends extend congratulations. Mr. Dayton, a returned overseas veteran of the A. E. F., who was wounded in action, is the son of Shelby Dayton and is employed in the Baltimore and Ohio railroad shops here. The bride has been clerking at the Vonderschmitt Music store. She is the amiable and

attractive daughter of John F. Wise. They will live in property on Vincennes avenue.—Washington Herald.

### THANKSGIVING PROGRAM.

The Woman's Home Missionary Society of the First Methodist church were entertained at the home of Mrs. W. L. Johnson on North Ewing street Tuesday afternoon. The following Thanksgiving program was rendered: Instrumental solo, Omega Wheaton. Reading—"Welcome Sweet Day of Rest".....Louise Carter. Piano duet by Florence Weithoff and Margaret Guthrie.

Reading.....Miss Grace Dunn. Vocal solo.....Mrs. Harry Tunley. An original Thanksgiving story was given by Mrs. W. L. Pfaffenberger. The hostesses were Mrs. W. L. Johnson, Mrs. Margaret Whitman, Mrs. Mayne Weithoff, Mrs. Alice Noelker.

### INFORMAL DANCE.

Miss Dorothy Spanagel delightfully entertained a company of friends last evening at the home of her parents Mr. and Mrs. Frank Spanagel, North Poplar street. The guests were:

Misses Agnes Andrews, Mary Goodloe Billings, Elsie and Kathryn Rider, Louis Hall, Louise Carter, Margaret Hope, Olive Stants and Margaret Guthrie, and Mack Shiel, Edward Massman, Oscar Fenton, Shirley Faulkner, Eugene Smith, Raymond Julian, Maurice Mackey, Charles Maple, Earl Parker and Milton Hanauer.

### SIX O'CLOCK DINNER.

Mrs. Charles B. Hagan, North Poplar street, entertained at a six o'clock dinner last evening in compliment to Mrs. Hugh Wilford, of New York, who is visiting her parents, Dr. and Mrs. J. M. Shields, North Chestnut street. Covers were laid for Dr. and Mrs. Shields, Mr. and Mrs. Charles Parham and the honor guest.

### BIBLE CLASS.

Mrs. Charles H. Resner entertained the members of the Ladies' Bible Class of the Presbyterian church last night at her home on North Poplar street. About fifteen members were present. A program of readings and music was given, followed by a social hour during which refreshments were served.

44 to 8 Final Score in Game Staged at The County Seat—Contest is Interesting.

The Lutheran club basketball team was defeated by the Brownstown Independent team in a game staged at that place, the final score being 44 to 8. The local team attributes a part of their defeat to the condition of the Brownstown court on which the game was played.

The Seymour lineup was Topie and Wilde, forwards; Rebber and Breitfield, centers; Rebber, Breitfield and Frye, guards. The Brownstown players were Kent and Gray, forwards; Robertson, c; McCain and Reinbold, guards. A large crowd witnessed the game. A return game will be played here in the near future.

**Plants Pay to Aid W. S. S.**

The campaign to organize government Savings societies in all the industrial plants of the Seventh district is being pushed with vigor. By means of posters, which are being placed on bulletin boards and in other conspicuous parts of the plants, the worker is impressed with the fact that he is one of the vital factors depended upon to reduce the high cost of living. The cartoon posters visualize to him just what he can do to stop waste and reduce the cost of living. "Don't buy what you don't need" is one of the chief points brought home to the worker in these plants as elsewhere. "Work, Save and Succeed" (W. S. S.) is another of the new slogans of the government.

Many of the plants have taken a live interest in the campaign to get the workers to spend judiciously, save regularly and invest their savings in safe securities—War Savings stamps and the new Treasury Savings certificates of \$100 and \$1,000, which are virtually "baby bonds."

In a number of plants a man paid by the concern itself is made the government representative. All of his time is devoted to the work of organizing Savings societies. The timekeeper in each department is appointed secretary of a society and this timekeeper is a constant reminder to his fellow workers of the time to invest in the government securities.

**PROGRAM FOR CHRISTIAN  
ACTIVITIES CONFERENCE**

Services Especially for Young People to Be Held at First M. E. Church Sunday.

The Rev. Charles W. Whitman, pastor of the First M. E. church, has announced the program which will be given here Sunday at the Christian activities conference for young people to be conducted as a district meeting.

The Rev. Frank M. McKibben will deliver the morning sermon at 10:30 o'clock. Miss Dorothy Mead will conduct the devotionals at 1:45 p. m. and Dr. Brumblay will deliver an address at 2:15 o'clock on "Relation of Young People to the Local Church Program." At 2:45 o'clock Mr. McKibben will conduct a conference at which time the subject of discussion will be, "Materials and Methods of Young People's Work." An open conference discussion will take place at 4 o'clock. "Fixing the Goal," is set for 4:30 o'clock and a fellowship period will be conducted at 5 o'clock. Supper will be served at 5:30 o'clock.

A young Woman's conference is scheduled at 6:30 o'clock under the direction of Miss Mead and at the same hour Mr. McKibben will conduct a similar conference for young men.

The evening service will open at 7 o'clock with a devotional period by Miss Mead. Mr. McKibben will give an address on "Americanizing America" at 7:30 o'clock, and Dr. F. I. Johnson will speak on "Follow the Gleam" at 8 o'clock. The Rev. L. T. Freeland, district superintendent will pronounce the benediction.

Word has been received here that James Baker, of this county, who enlisted in the coast artillery, sailed for the Philippine Islands on September 12. His address is Coast artillery corps, care of commander general Philippine Depot, Manila, Philippine Islands.

and working needless hardships on  
the men making applications.

Under the new system all of these  
applications are acted on by travel-  
ing field representatives who have  
been sent out from Washington.  
These representatives cover the en-  
tire country and visit each vocational  
board at least once every week, at  
which time all cases ready in the  
district office are cleared up. The  
only cases which such traveling re-  
presentatives must refer to Washing-  
ton are those involving courses for a  
period longer than two years. On  
these the Washington office will give  
a decision within ten days.

"Men who have had major ampu-  
tations such as the loss of a hand,  
both hands or both eyes, come under  
a special class. Their applications  
will be acted on by the district vo-  
cational officer, who has the authority  
to approve courses up to and includ-  
ing four years in length without re-  
ferring them to Washington. Cases  
of this character should be cleared  
up within twenty-four hours.

"The federal board for vocational  
education has also adopted a defini-  
tive policy regarding tuberculosis  
cases. Any arrested case of tuber-  
culosis will be considered as 25 per  
cent disabled for a period of two  
years from the date of arrest, and  
the bureau of war risk insurance has  
agreed that they will consider ar-  
rested cases a 25 per cent disabled  
for the first six months and 10 per  
cent for the following eighteen.

## DID YOU EVER USE SLOAN'S?

Keep it handy to promote prompt  
relief from rheumatic  
pains and aches

WHEN you know what Sloan's  
Liniment will do, as thousands  
of men and women the world  
over know, you, too, will keep it handy.  
You will use it for those "twinges  
of rheumatism," for relieving that lame  
back, muscle stiffness and soreness,  
aches, all sorts of external pains, and  
exposure after frosts.

Only takes a little, applied without  
rubbing. Soon penetrates, scattering  
the congestion, bringing merciful relief  
to the throbbing, jumping part.

Three sizes—35c, 70c, \$1.49. Any  
druggist has it. If not, we'd like to  
know his name.

## FIRST BAPTIST REVIVAL.

Ninety-one eager, anxious, enthu-  
siastic young people crowded into the  
church yesterday to hear the Evang-  
elist bring the afternoon message. A  
solo was sung by Frances Blevins.  
Little groups of workers are busy  
and the attendance today and tomor-  
row will be far in excess of anything  
ever attempted in Seymour. Con-  
sidering the fact that the entire en-  
rollment of children attending is 122  
the attendance is good. A special  
entertainment for the young people  
will be given Saturday afternoon at  
the church.

The attendance last night was not  
as great as at other nights but a  
deeply spiritual atmosphere pre-  
vailed. No one hearing the sermon  
on First Things First of The Sup-  
remacy of Character will forget the  
truths presented from the text—  
"Seek ye first the Kingdom of God  
and His righteousness and all things  
shall be added unto you."

Mr. Ray C. Keach brought the  
message in song and was appreciat-  
ed. Tonight, Mrs. Frank Voss will  
sing. Hear her. Tomorrow night,  
the opportunity for Church Mem-  
bership will be open to those making ap-  
plication by baptism or letter. The  
Get-together meeting for men plan-  
ned a luncheon is called off. Pres-  
sure of work makes it impossible in  
the closing days of the campaign.  
But the men of the church and city  
are urged to attend the Sunday Ser-  
vice for Men, at 3:15 p. m. Two male  
quartets will sing. Organ numbers  
will be a special feature.

## FLORAL SHOW

Exhibition by State Florists As-  
sociation.

By United Press

Indianapolis, Nov. 13—The Indi-  
ana State Florists' association open-  
ed their floral show here today. It is  
the first exhibition held by the as-  
sociation in five years and will con-  
tinue today and tomorrow.

Members of the Kentucky associa-  
tion, who were invited to attend, to-  
gether with Indiana florists at the  
show, will be given a banquet tomor-  
row evening in the Chateau room of  
the hotel Claypool.

The show is being conducted on a  
different basis from previous exhibi-  
tions. Hitherto only chrysanthem-  
ums were eligible but now various  
kinds of flowers including orchids,  
roses, carnations and many others,  
will be on view.

The florists' association has a  
membership of about 200.

## Medicines Used by Monks.

It is claimed that monks of ancient  
days knew of more than three hun-  
dred species of medicinal plants  
used in general for medicines by  
these religious orders. While cen-  
turies have passed, with all the ad-  
vance made in medical science, many  
of our most successful remedies are  
today made from the roots and herbs  
of the field, like that good, old-fash-  
ioned remedy, Lydia E. Pinkham's  
Vegetable Compound, which for more  
than forty years has been relieving  
women from some of the worst forms  
of female ills, and is now considered  
the standard remedy.

## Card of Thanks.

Words cannot express our heart-  
felt thanks to our neighbors and  
friends for the many acts of kind-  
ness bestowed upon us during the ill-  
ness and at the death of our dear  
little Belma; also do we thank the  
choir, the minister, those who sent  
the beautiful floral offerings, and for  
the use of the autos, all of which is  
deeply appreciated and will always  
be remembered.

"Mother, sister, grandparents  
and families.

## Card of Appreciation.

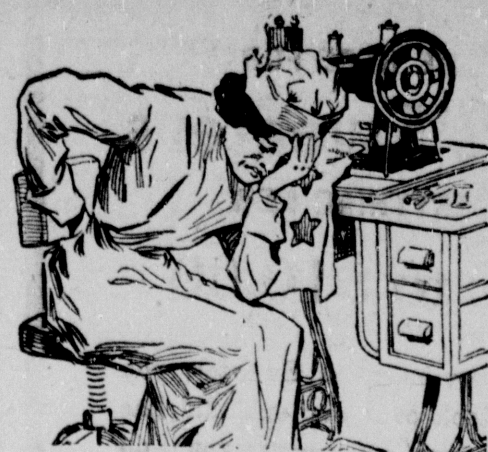

We take this means of expressing  
our gratitude to our many friends  
and relatives for their kindness and  
sympathy to us at the death and  
burial of our husband and father,  
George W. Pfaffenberger. We are  
also very grateful to the minister  
for his words of comfort, the choir  
for their beautiful songs, and for the  
love shown to us in the many beau-  
tiful offerings. These many acts of  
kindness will always be appreciated.

THE FAMILY.

A force of men is at work remod-  
eling the Becker property at the cor-  
ner of Pine and Seventh streets  
which was recently purchased by Ray  
R. Keach.

Fred Ballman is moving from  
Homestead avenue to the property he  
recently purchased on West Seventh  
street.

Lloyd Bulger, son of W. E. Bulger,  
Baltimore & Ohio railroad conductor,  
is confined to the home on North  
Ewing street with typhoid fever.

Some of our Indiana women are borne  
down physically and mentally, by the weak-  
nesses of their sex. They suffer from back-  
ache, dragging sensation, bearing-down  
pains, very nervous and pain in top of head.  
If they ask their neighbors they will be told  
to take a Favorite Prescription of Dr.  
Pierce's which has been so well and favor-  
ably known for the past half century.

Weak women should try it now. Don't  
wait! Today is the day to begin. This  
temperance tonic and nerve will bring  
vigor and vitality. Send Dr. Pierce's  
Invalids' Hotel, Buffalo, N. Y., 10c. for  
trial package of tablets.

Muncie, Ind.:—  
"When I had a  
severe cold and was  
out of sorts and run-  
down, I used Dr.  
Pierce's Favorite  
Prescription. I only  
used two bottles and  
the very first bottle  
helped me. After  
using the two I did  
not require any more.  
This gives me faith  
in it as a reliable and  
genuine building-up  
medicine."—MRS. JOHN CUMMINGS,  
618 East Seventh St.

New Albany, Ind.:—"I used Dr. Pierce's  
Favorite Prescription when I had severe  
nervous headaches. I found that the medi-  
cine improved my general health and made  
my nervousness much less, and, in time, I  
was relieved of all the nervous troubles. I  
have always been glad I used 'Favorite  
Prescription' and cheerfully recommend it  
to any woman who needs the best woman's  
tonic."—MRS. HENRY STRACK.

## HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this be-  
neficial remedy at home and any-  
one who has catarrh or a cold can  
do the same.

Ask your druggist for three  
quarters of an ounce of Menthol-  
ized Arcline and pour it into a  
pint bottle, then fill the bottle  
with water that has been boiled.

Gargle the throat as directed,  
and snuff or spray the liquid into  
the nostrils twice daily. It's a  
simple way to get rid of cold and  
catarrh and keeps the nasal pas-  
sage and throat so clean and  
healthy that germs of flu or any  
other germs will have a hard time  
gaining a foothold.

## WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL  
HEALTH BY BIO-FEREN

"I feel I owe you people a word  
of gratitude for the benefit I have  
received in using your wonderful  
remedy—Bio-feren Tablets, which  
have completely restored me to  
normal conditions," says Joseph  
E. Webb of Muncie, Indiana.

Bio-feren is without doubt the  
greatest and quickest remedy for  
nervous, run down, weak, anemic  
men and women ever offered di-  
rect through the druggists and is  
not at all expensive.

Take two after each meal and  
one at bed time, and after seven  
days take one after each meal and  
one at bed time until the supply  
is exhausted.

Then if you feel that any claim  
made in this special notice is un-  
true—if you are not in better  
health—if you do not feel ambi-  
tious, more vigorous and keen  
minded, yes, twice as much as you  
did before, the druggist who sold  
you the tablets will gladly hand  
you back just what you paid for  
them.

All druggists in this city and  
vicinity have a supply on hand, or  
can easily get it for you.  
Seven a day for seven days—  
Wonderful results.

### EXPEDITION IS PROPOSED TO STUDY ABORIGINES

Investigation of Primitive Social Organization in Heart of Australia.

By United Press  
Adelaide, South Australia—Data shedding light upon many difficult ethnological and sociological questions is expected to result from the proposed scientific expedition into the heart of Australia with the purpose of studying the aborigines and rendering them such aid as found necessary.

The aborigine population of Australia is one of the few more easily available sources for the collection of material dealing with primitive social organization and religious beliefs.

South Australia, as the central state of the commonwealth, is to share the greater part of the expenses involved in the investigations. Dr. Herbert Basedow, noted scientist, has been elected to head the expedition. He will have three trained assistants. Thorough medical and anthropological examinations will be made of the tribes in the northwestern corner of South Australia, especially in the Musgrave ranges. The itinerary will cover an immense area, stretching from the Queensland border to the Fowler's Bay and Western Australian border districts.

Members of the expedition will also chart the country, which geographically is not yet thoroughly known. The question of setting apart native reserves—the chief of which would be in the northwestern corner of South Australia—will also be considered in the light of the results of the investigation, which, it is expected, will last several years.

The condition of Dr. M. F. Gerrish remains about the same. Little improvement is noticed today it is reported.
